No obstacle may be set at a lower height than the obstacle preceding it.

The competition is judged under Table A not against the clock with a time limit of two minutes.

The first jump-off must be over all six obstacles, but the course may be reduced progressively for each further jump-off to a minimum of three obstacles by removing in succession first, second and third obstacles.

The Judge at his/her discretion may terminate the competition after the third jump-off. In the event of equality of faults in the final jump-off competitors are placed equal and divide the prize money.

# FROME CHEESE SHOW

## SATURDAY 14TH SEPTEMBER 2019

The Countryside Cafe will be serving refreshments in the Lorry Park again this year

Jonathan Marshall has earned his reputation as one of the worlds leading display falconers over the last 30 years. He has provided shows at some of the largest outdoor events in the UK. He has worked on many film and television projects which have featured his unique work that includes hang gliding with Golden Eagles and skydiving with Peregrine falcons.

Not content with just flying birds of prey, Jonathan introduced dancing Spanish and Lusitano horses into his display and trained both birds and horses to work together.

The falcons are trained to chase a swung lure at over 100 mph while the horses perform high schooled dressage moves such as Piaffe, passage and Levade.

The carefully choreographed dance is performed to beautiful music and takes on a balletic flavour. Costume and showmanship make this a display like no other, indeed it is totally unique and is the culmination of a lifetimes passion for horses and falcons.

Each year thousands of people up and down the country are thrilled, exhilarated and regularly moved to tears by what they see at his performances.

It is art, beauty, falconry, history, passion, freedom, horsemanship, romance, flight, dance, grace, unique and timeless.

All of the above and so much more.
