COVID-19 Safety Measures for Traders

The Frome and District Agricultural Society organisers of the Frome Show will be operating within the Government Covid Safe guidelines provided and we ask those attending to adhere to any restrictions that may be in operation at the time of the show. The road map currently shows that capacity numbers will not be restricted in September however this may change and we will be adapting to any requirements that may be in place to ensure the show can run this may include reduced visitor capacity numbers.

The show will only cancel if Public Health England or Government Guidance do not allow the event to take place. When you are booking a trade stand you are reminded that you are booking into an event which will still take place during the pandemic. If the Show is cancelled due to the Government restrictions during the Pandemic a full refund will be o-ffered or the opportunity to roll the booking over to 2022. Please note, no refund will be given if a Trade Stand decides to pull out because they did not adequately plan for their Trade Stand to be able to run during the pandemic and potential social distancing or if they are closed during the Show by Enforcement officers for failing to provide adequate control measures.

To confirm you are happy to adhere to these guidelines can I ask that you answer the following set of questions, sign, date and return to The Show Office, Rodden Road, Frome, Somerset BA112AH, along with your Covid Risk Assessment.
